NEWS FROM THE SENIOR PASTOR

New Book

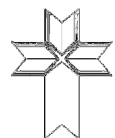

Our own Judy Foster has recently written a book entitled, "Let Yourself Go". It is her personal story about the freedom she found from emotional and abusive relationships. It is a delightful book filled with personal testimonies and scriptures. To order your personal copy, go to www.iuniverse.com. This book is a much needed resource for those who are looking to break the chains of relational abuse. Her pastor and church family are proud of Judy and her willingness to be honest and transparent so that others can know the grace of God in their lives. Order your book today.
