**Help send Cross Audio Bibles to Ghana**

First Baptist Church is sending audio Bibles to Ghana. These cross-shaped Audio Bibles contain the New Testament and Bible teaching in their native language. Over 50% of the people living in Ghana cannot read. These Audio Bibles will go to the churches in Aiyinase as well as others. They will help establish small group Bible study without using any printed material. If you are interested in helping, Louis Powell will be in the Jubilee Sunday School room in the Activity Building immediately following the second church service. You can also pick up a handout in the foyer which will explain what is needed. If you wish to give an offering, please designate your offering envelope to **"Audio Bibles to Ghana."**
