

## Mission Offering Feedback from our Missionaries on the Field

### Tales from the Front - 2014

**FBC sends a portion of our monthly mission offerings directly to missionaries on the field. Here is some feedback we have received during the second quarter of 2014. Our offerings are making a difference around the world!**

**UKRAINE – Bro. Sasha Pavelchuk** “I want to thank you for all the care and love you give us. Your contribution is priceless, for me you are great example of God’s love. I would like to tell you a little bit about our plans and work that we are doing here in Ukraine. You know that at present moment there are military actions going on in Ukraine, and even though they are in another part of Ukraine all country is suffering from this. Product’ prices got up, salaries didn’t change or got even smaller, but together with your help we gather necessary things and products and send them to the east of our country.

A lot of people run from the war zone to our region, that’s why we have new service – assistance to the victims of the war. We accept these people and direct them to safe places. I ask you to pray for people of our country and ask peace for Ukraine. We are very peaceful people, but because of external aggression of Russia we got to know what is war. War is terrible.

Thanks to your support we plan to have children’s Christian camp in July on the territory of the state school. We lecture on AIDS and drugs prevention in this school, also we lecture on human traffic as it’s a big problem in our country. A lot of young people go to other countries in hope to find better life and become slaves. Please pray for camp and lecturing.

In the end of July family of Andrey and Sasha Demyanenko come to our church and together with Andrey we want to start the work with drug addicts and people with AIDS in our town. We have a lot of addicts and people with AIDS that are without any attention. After a while we want to start a rehabilitation center in our town where we could help such people.

Please pray for this work, ask the Lord to open the doors for us so we could preach the Gospel.

Thank you a lot for your help, even in my dreams I couldn’t imagine those things that God is doing through you for us. Thank you!”

**EL SALVADOR – Bro. Rigoberto Cruz** – Bro. Rigoberto and his work is well known to us at FBC as we have partnered with him for several years as he reaches out to the hurting people of El Salvador. In May, we sent extra funds to help provide a place for children’s ministry at the El Zunsa mission. This is the same mission that we sent mattresses to after floods a few years ago and we have worked there on several BMMI medical trips. Bro. Rigo also works with many teens who are escaping the gang lifestyle and turn their lives over to Christ. They are often in grave danger when they make this choice and Bro. Rigo has a great burden to help them start their new life for Christ.

**GUATEMALA – Bro. David Marroquin** – A group from FBC worked with Bro. David last summer at his Baptist encampment and saw firsthand the great work he is doing. Bro. David has thriving Centro de Vida and Intino youth ministry, and you can see via Facebook the multitudes of Guatemalans being baptized after giving their lives to Christ as a result of his ministry. They plan to build a playground for the camp with some of the offerings FBC has sent, and we are planning an FBC trip there next summer to help with the project.
