

# Guidelines to Reopen First Baptist Church

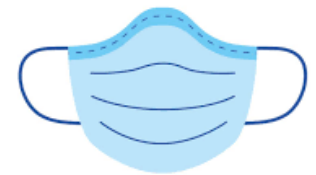

In accordance with the CDC guidelines and the Governor's Office recommendations concerning best practices to reopen houses of worship, these 6 guidelines will be utilized by First Baptist Church as we reopen campuses for worship.

1. **Practice Social Distancing:** We will endeavor to maintain at least 6 feet of separation at all times, according to the CDC guidelines.

2. **High-Risk Individuals:** All individuals that fall within the high-risk group as defined by the CDC are encouraged to stay at home and worship online.

3. **Masks:** Masks are recommended to be worn by attendees.

4. **Hand Sanitizing Stations:** Hand sanitizing stations are located at all entrances to our building.

5. **Hand to Hand Items:** No items will be passed among attendees, including offering plates, print materials, or other worship items. Additionally, attendees should practice touchless greeting (no handshakes or hugs).

6. **Sanitation:** All touched surfaces (ex. doors, door handles, countertops) will be sanitized between our worship services.
