"We believe the mission of the church matters. Everything we do at RightNow Media is rooted in Jesus's promise that God will use his people to change the world. We're here to serve the church. We provide Christians across the globe with resources that will inspire them to champion the mission Jesus gave to his people—making disciples of all nations. God calls us to focus our lives on him rather than on ourselves. Whether in church, in the workplace, or at home, we want to see disciples of Jesus loving God and loving others." Terri and I would like to say a **BIG THANK YOU** to the church for the different expressions of love you showed us during the Christmas Season. It is an honor for us to serve at First Baptist Carthage with the loving church family that is here. We love you very much and as we move into 2021, may God bless each of you and also continue to bless First Baptist. "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." Matthew 5:16 NKJV
